

Rotherwas Munitions IN COLOUR

ROTHERWAS
R.O.F. PROJECT

Remembering, researching, recording Hereford's Heritage

Thursday 29th June

Between 1918 and 1919, Charles Ginner, the war artist and member of the Camden Town Group, was commissioned to paint a large picture of the munitions work at Rotherwas.

John Rolfe, art historian at St Clare's, Oxford, will "walk you through" the painting, now in the National Gallery of Canada.

An opportunity to see the WW1 munitions processes in colour rather than the usual black and white!
