

Walk A cont'd.

continue ahead by hedge to field end. Cross stile and, bearing slightly right, walk to hedge end, then continue with hedge on left and go through gate at field end. Halfway down boundary, pass through gate on left, bear right towards stream near large oak. Cross bridge and stile and bearing left, cross field diagonally towards Eyecote Lodge house. Go through gate, cross main road and over foot-bridge. Follow boundary on right and go through gate in corner (5). Continue with hedge on right, crossing stile and passing between two houses, (still a right of way) over further stile, drive, and third stile into field. Walk in same direction, across field passing Village hall (Cawley Hall) on right. Bear right at corner, continue out onto Eye Lane. Turn left and follow lane over railway bridge back to Eye Church drive on right.

For Walk B

Cross hurdle and continue with stream on left. Cross bridge on left and continue with stream on right, through a gate, then a gap in the hedge. As stream bears right, go through gate and turn left. Cross field to opposite boundary keeping hedge on left. At boundary, facing large house with walled garden, turn left and go through gate in field corner (5). Continue as walk A. back to church.

Start from Eye Church (1.) Walk down the church drive and turn left onto Eye Lane. Follow to first gate on right, go through gate and follow path, indicated by footpath sign, across farmyard to gate. Go through gate and continue across field to stile in fence between two trees. Cross stile and bear right across field to gate by clump of trees. (View of Kings Hall Covert on hill opposite.) Go through gate and over bridge, bearing left across field towards farm buildings at Field Farm and through gate into farm yard (2.) Continue towards house and turn left between

barns, turn right and go through gate to farm road. (If yard is in use then it may be easier to cross to gate near house) Cross road and go through gate opposite into field, bear right and continue ahead to gate in corner, past two willow trees in hedge. Go through gate and turn left, follow hedge on left to top of slope, Shutstocks Hill to right. (Pause to enjoy view across to Bircher Common and Croft Woods) Go through gate on left at field end and turn right. Go through next gate and continue with hedge on left. (Another lovely view towards Orleton Church, with High

Vennal behind.) Cross stile at field end and immediately cross second stile on left. Cross field to stile in hedge opposite. Cross stile and farm road and go through gate opposite. Continue on track between fences, then over bridge and through gate, continue in same direction, walking with hedge on left towards railway line (3.) Cross stile and WITH CARE cross railway line and further stile and wooden bridge. Continue with stream on left to mature oak tree and hurdle on left (4.)

At this point take route A or B, a slightly shorter version (about 1m/1.5km shorter).

For walk A.

Continue with fence on left, passing row of oaks across field on right (old boundary). At field end, turn right, go through gate on left and follow green lane uphill until it reaches main road at Gorbetts Bank. Cross road and follow minor lane opposite to footpath sign on left. Go through gate and continue with wood on right. Cross stile by corner of wood and
